Auditors' Report

To the Members of
Ontario Sailing Association

We have audited the statement of financial position of **Ontario Sailing Association** as at March 31, 2006 and the statements of revenues and expenses, changes in net assets and cash flows for the year then ended. These financial statements are the responsibility of the Association's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Association as at March 31, 2006 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

ONTARIO SAILING ASSOCIATION

Notes to Financial Statements

March 31, 2006

1. **Nature of Operations**

The Ontario Sailing Association (“Association”) was incorporated without share capital under the laws of Ontario.

The objectives of the Association are to generate interest in sailing particularly among young people in the Province of Ontario, promote sailboat racing events and encourage boating skill development.

2. **Significant Accounting Policies and General**

The financial statements of the Association have been prepared in accordance with accounting principles that are considered appropriate for organizations of this type. The more significant of these accounting policies are summarized below.

a) **Inventory**

Inventory is valued at the lower of cost and net realizable value.

b) **Capital assets**

Capital assets are recorded at acquisition cost. Contributed capital assets are recorded at fair market value at the date of contribution.

Amortization is provided for on a straight-line basis over the assets’ estimated useful lives as follows:

Sailboats	- 5 years
Safety boats and motors	- 5 years
Computer equipment	- 3 years
Website development	- 3 years
Van	- 5 years
Docks	- 5 years
Rotary Mobile	- 5 years

c) **Revenue recognition**

The Association follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

d) **Contributed services**

Volunteer time is contributed during the year to assist the Association in carrying out its sailing events and activities. Because of the difficulty in determining their fair market value, contributed services are not recognized in the financial statements.

2. Significant Accounting Policies and General (continued)

e) Financial instruments

The Association's financial instruments consist of cash and short-term investments, accounts receivable, and accounts payable and accrued liabilities. The fair values of these financial instruments approximate their carrying values, unless otherwise noted.

f) Management estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

3. Capital Assets

	Cost \$	Accumulated Amortization \$	2006 Net \$	2005 Net \$

Ontario Ministry of Tourism and Recreation	<u>329,199</u>	<u>334,012</u>

ONTARIO SAILING ASSOCIATION

Notes to Financial Statements (continued)

March 31, 2006

6. **Sport Environment**

Revenues include \$11,981 (2005 - \$5,991) from the SPARK START program.

Expenses include \$1,225 (2005 - \$1,216) from the SPARK START program.

7. **Income Taxes**

As the Association is a not-for-profit organization, it is not subject to income taxes.

8. **Administration**

Expenses such as computer costs, telephone, printing, postage, insurance and some staff costs are all charged to Administration. In order to more accurately reflect the cost of program services, a portion of these costs has been distributed to the other program areas.
