SAIL NUMBERS

The Race Committee requests that Competitors register their primary sail number when they register for the regatta. This is to be done on the sign-up sheet.

Windsurfing Canada recommends obtaining a designated sail number by becoming a Windsurfing Canada member at www.windsurfingcanada.com.

In the event that there are 2 or more people with the same sail number, the person who has the number assigned to them through Windsurfing Canada uses that number to race with. All racers must have a unique number.

If you do not have a sail number on your sail that is unique (either because you have a new sail, are new racers, or are on club equipment) then at the finish of each race please approach the race committee and provide your name.

In the event of a protest, we will gather a jury and follow standard protest protocols.
