## **Adult Sailing INSTRUCTOR 2019**

The Royal Canadian Yacht Club has been introducing new sailors to the sport for over 160 years. We are an active sailing club with many world-class sailors, excellent member support, and a beautiful atmosphere to teach in. Looking forward to 2018, we will continue the longstanding tradition of committed, excellent instructors. If you are enthusiastic, responsible, and motivated when it comes to sailing, we want to hear from you!

Currently, we are searching for experienced instructors for our Adult Sailing Programs. Instructors must be able to work some evenings/weekends, with seasonal full-time and part-time positions available starting in April and May. Programs range from introductory lessons and private coaching to competitive racing in dinghies and keelboats. Courses that we offer span the entire CANSail curriculum in addition to keelboat and double-handed dinghy racing, match racing and cruising.

The RCYC approach to instructing is to provide as much support as we can to each instructor. As an important part of our team, we aim to provide our staff with the tools they need to make significant and lasting contributions to the experience of each of our participants. Instructors will work closely with the Adult Sailing Program Coordinator and Boatwright, with the option to help with boat maintenance and other sailing-related tasks at the Club.

Successful candidates have:

- Current instructor certification or equivalent experience, with a minimum of one-year experience
- Current Pleasure Craft Operator's Card

What we offer:

- An excellent work environment
- Competitive salaries commensurate with experience and qualifications
- Additional training and uniforms provided
- Flexibility to race at the Club and sail a variety of boats. Instructors are encouraged and supported to remain active in the sport throughout the season with opportunities to be placed with competitive teams.

Programs begin in May and conclude in September. Instructors will have many opportunities for work in the Spring and Fall to prepare club boats for the season and learn new skills in other areas.
