

It's Alive! Classic Horror and Sci-Fi Art from the Kirk Hammett Collection

Presenting Sponsor Cosmo Music
Until January 5 | Separately ticketed exhibition

Famous guitarist Kirk Hammett, of the heavy metal band Metallica, has created one of the world's most extraordinary collections of classic horror and sci-fi movie posters. This exhibition explores Hammett's significant collection and examines the connection between artistry, emotion, and popular culture through a selection of works from 20th-century cinema.

Leiden circa 1630: Rembrandt Emerges

Until December 1, 2019

Agnes Etherington Art Centre (AGNES)

36 University Avenue, Queen's University, Kingston, ON

Leiden circa 1630: Rembrandt Emerges features more than 30 works of art by Rembrandt and his circle as a celebration of the artist and his wide-reaching impact, marking the 350th anniversary of his death. Highlighting beautiful works from The Bader Collection by Rembrandt, Jan Lievens, Isaac de Jouderville and others, as well as numerous North American loans, this exhibition is an extraordinary investigation of experimentation, emulation and ambition in seventeenth century Holland.
