The Kingston Yacht Club has been introducing new sailors to the sport of sailing for almost 100 years, and we have some of the best winds on the lake to do it! We are an active sailing club with many Olympians, excellent member support, and a beautiful atmosphere to teach in. In some circles, Kingston is well known as the Freshwater Sailing Capital of the world. Program offerings span the entire Sail Canada Learn to Sail curriculum in addition to very active Optimist, Laser, 420, and 29er racing divisions. Some speciality programs such as Adult Learn to Sail (ALTS) program are available to instruct throughout the season as well.
