

THE ROYAL CANADIAN YACHT CLUB

The Royal Canadian Yacht Club is a World Class Yacht Club with excellent member support, a robust community of accomplished sailors and a beautifully unique atmosphere on the Toronto Islands. We work together with sailors and staff to bring memorable seasons full of programs, events and a great experience every year. RCYC is currently ranked as one of the Top 50 Yacht Clubs in the World and we firmly believe that much of our continued success is determined by our staff. We are currently looking for Dockmasters for the 2021 season and are excited to recruit talented individuals that will contribute to our best-in-class Member and guest experiences.

RCYC becomes a summer home for many Members that participate in our sailing community. With over 300 slips spread around our three islands and multiple dry sail areas for dinghies, the Sailing Office acts as the primary connection for boat owners to the Club. The team of dockmasters lead communications and daily monitoring of these facilities as the ambassadors for RCYC Members and visiting yachts. We also have a vast fleet of Club-owned boats, including dinghies and small keelboats, used by both our youth sailors and adult Members throughout the week. Successful candidates that join the RCYC Sailing team will have the ability to receive additional work in areas such as boat care and maintenance, sailing programs, and race management with additional training. Employees are encouraged to participate in activities like midweek racing, regattas, and recreational sailing, to continue their development and discover exciting opportunities provided at a World Class Yacht Club.

We are currently searching for our team of Dockmasters for the 2021 sailing season.
