About us:

Located on the waterfront in Gananoque, Ontario, The Thousand Islands Boat Museum (TIBM) is a hands-on Museum where history becomes something that can be touched, built, and experienced.

The Museum is committed to getting kids onto the river. For centuries, sailing has been part of River life.

This summer the Thousand Islands Boat Museum is excited to bring sailing to Gananoque. TIBM will offer 4 one-week sailing courses to give children a fun hands-on introduction to the sport of sailing.

The other 4 weeks of the contract will be a combination of adult lessons and private one-on-one lessons.

Duties of CANSail 1/2 Instructor: The main duty is to provide on-water sailing instruction to day camp participants in accordance with CANSail 1/2 standards. The Instructors will also supervise day campers before and after camp hours, and during lunch periods. When there is not a day camp running, Instructors will be responsible to provide private on-water sailing instruction to youth and adults by appointment.
