

Application Form to be considered for 2021-2022 Ontario Sailing Teams

Instructions

Please read the list of teams in the appendix before completing this application. This will give you a better understanding of what you would be asked to commit to if you are offered a spot on that team. Selected athletes will receive an offer letter on September 22, 2021.

Please note that for several programs we are asking for interest but are not officially committing to a team structure. We are asking for you to still complete this application as it will help to speed up the process in 2022.

Sailing Results

Please fill in the below chart with your top 3 results from 2020/2021. You must include the name of the event, the date, the class of boat, and your placement over the whole fleet*. Preferred results are from the 2021 Youth/Senior National Championships. You may use results from more than one class, however results in the class you are applying for carry more weight.

**if there were 3 fleets of 50 gold, silver, bronze, a 3rd place in silver fleet would be 53/150.*

Event Name	Event Dates	Class Sailed	Your Result	Total Fleet Size*
