

THE ROYAL CANADIAN YACHT CLUB

The Royal Canadian Yacht Club has been developing sailors in the sport of sailing for over 90 years through our iconic Junior Club. RCYC is currently ranked as one of the Top 50 Yacht Clubs in the World and we firmly believe that much of our continued success is determined by our staff. We are currently looking for Junior Club instructors for the 2022 season and are excited to recruit talented individuals that will contribute to our best-in-class Youth Programming.

At our Junior Club, we offer the full CANSail curriculum to support skill progression from beginner to racing as we encourage everyone to build lasting friendships and become lifelong sailors. Employees are encouraged to participate in activities like racing and recreational sailing to continue their development and discover exciting opportunities provided at a World Class Yacht Club. Successful candidates that join the RCYC Sailing team will have the ability to receive additional work in areas such as private coaching, adult sailing programs, and race management.

We are currently searching for our **Laser Development Coach** for the 2022 sailing season.
