## Instructors Needed - Sailing School, Port Stanley Ontario

Port Stanley Sailing Squadron is looking for 1 or 2 instructors for our 2022 sailing program. The program is currently slated to run for just 1 week of the summer (Aug 15-19) so we are hoping to arrange something with another sailing club to contract out employed instructors OR make a contractual arrangement directly with 1 or 2 Sail Canada certified instructors. We would pay \$850 - \$1400 per week depending on instructor experience and instructor availability (for our youth and adult programs). We would provide boat billeting and we have all on-water equipment. We would consider opening up our sailing school for a 2nd week if instructors and participants were available.

If you can help, please contact Kerby Waud at [kerbyward@gmail.com](mailto:kerbyward@gmail.com).

We ask that interested parties contact us before April 15th, 2022 although we may consider a later application in certain circumstances.
