National Yacht Club's Sailing & Racing School is now hiring for the 2023 season! Our sailing school has been teaching sailing on Lake Ontario for over 60 years, with a history of producing high performance racers and life-long sailors. We are looking to continue this legacy and believe that hiring exceptional staff is a crucial component.

National is seeking an Optimist Race Coach who has previous coaching experience and a background in single-handed racing. We are looking for a coach who is responsible, self-motivated and enthusiastic about building up our sailors to the best that they can be. We have a well-maintained fleet of race-ready Optimists, nearly all under 2 seasons old and a brand-new inflatable rib for optimal on-water coaching.

National Yacht Club is located on the Western Gap of the Toronto Harbour; our prime location includes exciting options for double-handed training and racing directly on Lake Ontario and a short sail to Toronto's Inner Harbour. NYC is looking for a race coach who is highly organized, a good communicator and dedicated to providing safe, fun and quality race training and regatta coaching for young sailors. If you think you are the right fit for our team, please see information below!

We Offer:

- Established Program – supportive parents and experienced program staff
- Accessible Location – with nearby bike paths, TTC, and free onsite parking

- Schedule and organize a competitive race team training and regatta calendar
- Part time race team training opportunities May, June & September
