**CLEAN MARINE**  
PROTECTING ONTARIO'S WATERWAYS

### Procedure for Ontario Sailing Association Member to Join Boating Ontario's Clean Marine Program

- The applicant would contact Boating Ontario at (888) 547-6662 or the auditor (currently) Rick Legedza at [rlegedza@boatingontario.ca](mailto:rlegedza@boatingontario.ca)
- Clean Marine auditor will contact OSA to verify that OSA member is in good standing
- Auditor would talk with applicant via phone or email explaining the program and membership fees. He would then send self-assessment to applicant
- Self-assessment is to be completed and returned to the auditor within 2 weeks
- Auditor will then contact the applicant and, if approved, arrange an in-person audit on location
- Auditor will attend the location and complete initial audit; auditor must be allowed to walk the facility and take pictures to be added to the audit (**note:** the pictures are for the audit purposes only and are not shared or released at any time)
- The pictures will then be added to the audit and any corrections made. Applicant must reach a minimum of 60% to join The Clean Marine Program
- The applicant will then receive a copy of the audit and is allowed 2 weeks to address any of the flagged items on the audit
- The audit will then be closed at the established rating and Boating Ontario will issue a Plaque to the applicant
- The applicant is also required to complete the self-assessment each year as a reference
- The applicant will receive an in-person audit every 4<sup>th</sup> year
- Annual Clean Marine membership dues (currently \$249 per year) will be invoiced by Boating Ontario in May of each calendar year and must be kept current to continue program eligibility
