*EST. 2003*

## Youth Sailing Program Instructors, Summer 2023

The Little Current Yacht Club is hiring two energetic and motivated Sailing Instructors for our 2023 Youth Sailing Summer Program. Instructors will work with the LCYC sailing coordinator to provide introductory-level sailing instruction (CANSail 1-2) to students from ~8-14 years of age in our fleet of six Pico sailboats.

The program will run out of beautiful waterfront locations across the north shore of Manitoulin Island, including Little Current, Gore Bay, and Manitowaning, from early July through mid-August 2023. Manitoulin Island is a regional hub of summertime festivities and tourism, and the majestic waters of the North Channel attract boaters from all over the world.

Funding is available to support CANSail training courses for both instructors in spring 2023. Housing in Little Current is also available as needed. Additional details of the instructor positions and necessary qualifications are given below.

Please submit your applications, including detailed description of your sailing and teaching experience and other qualifications to [info@lcy.ca](mailto:info@lcy.ca)

### **Head Instructor Position:** 40 hrs/week; \$18/hr
